

NMI Prayer Mobilization Line February 5, 2010

“A bruised reed he will not break, and a smoldering wick he will not snuff out, till he leads justice to victory. In his name the nations will put their hope.” Matthew 12:20-21 (NIV)

PRAISES:

Radio Partnership

Praise the Lord for the partnership of World Mission Broadcast South America and World Mission Broadcast Africa to produce a new radio program called Dje da zu? (What's Next?). The program will be in the Fang (pronounced “fawn”) language and is planned to air in Equatorial Guinea. Equatorial Guinea is the only Spanish speaking country in Africa and has just three FM radio stations. Pray for Daniel Esono, the program's host, and the WMB teams as they produce the new program and that listeners will hear and receive God's saving grace.

New Churches Organized

Praise the Lord that four new churches were organized in Livingston, Zambia, on January 9 and 10. Two existing churches, the Libuyu and Miramba churches, planted the new churches and hosted them as they celebrated the growth and organizing of the new works.

Pray that God gives them strength and encouragement as they provide assistance while at the same time dealing with the losses they have incurred due to the earthquake.
